Forget about that, I'm enjoying Summer until the very end!

By the way, have you decided on your career choices, Hina?
Summer is already over
Returning from the pool

turn
Hey
Mi-Miu!?
flinch
I want to see you...
I am filled with regret as I write these words
The you that showed me kindess is now far away from me.
I wonder when the day I meet you again will come.
No matter what I see I can only be reminded of you.
The way things are I want to fade away into the night...
I did It's pretty bad
That sounds so selfish
Doesn't seem like her at all
Have you seen her blog?
It's been like this for two months
Miu really seems bummed
Oh yeah...
Shut
...
Ah. Okay, be careful
See ya
The train is now departing.
buzzz
Huh? What about the festival?
I don't have any money, so I'm going out for a bit
I'll meet back up with you afterwards

There you are!!

Wait, why is there a lunch in the entry-way...
The slippers are on top of a lunch.
thud

I didn't want to cause you any trouble, you know? That's why I thought I'd get you to forget about me
it looked like you were feeling sad because of me...
...
But whenever I saw Mimi-chan's blog after that,
Sorry for blocking you so suddenly I didn't intend to see you again
...Trash...
Trash bag
I'm sorry that I'm-

I'm not the kind of adult you think I am
Mimi-chan will hear me out!?

Like combustible or non-combustible

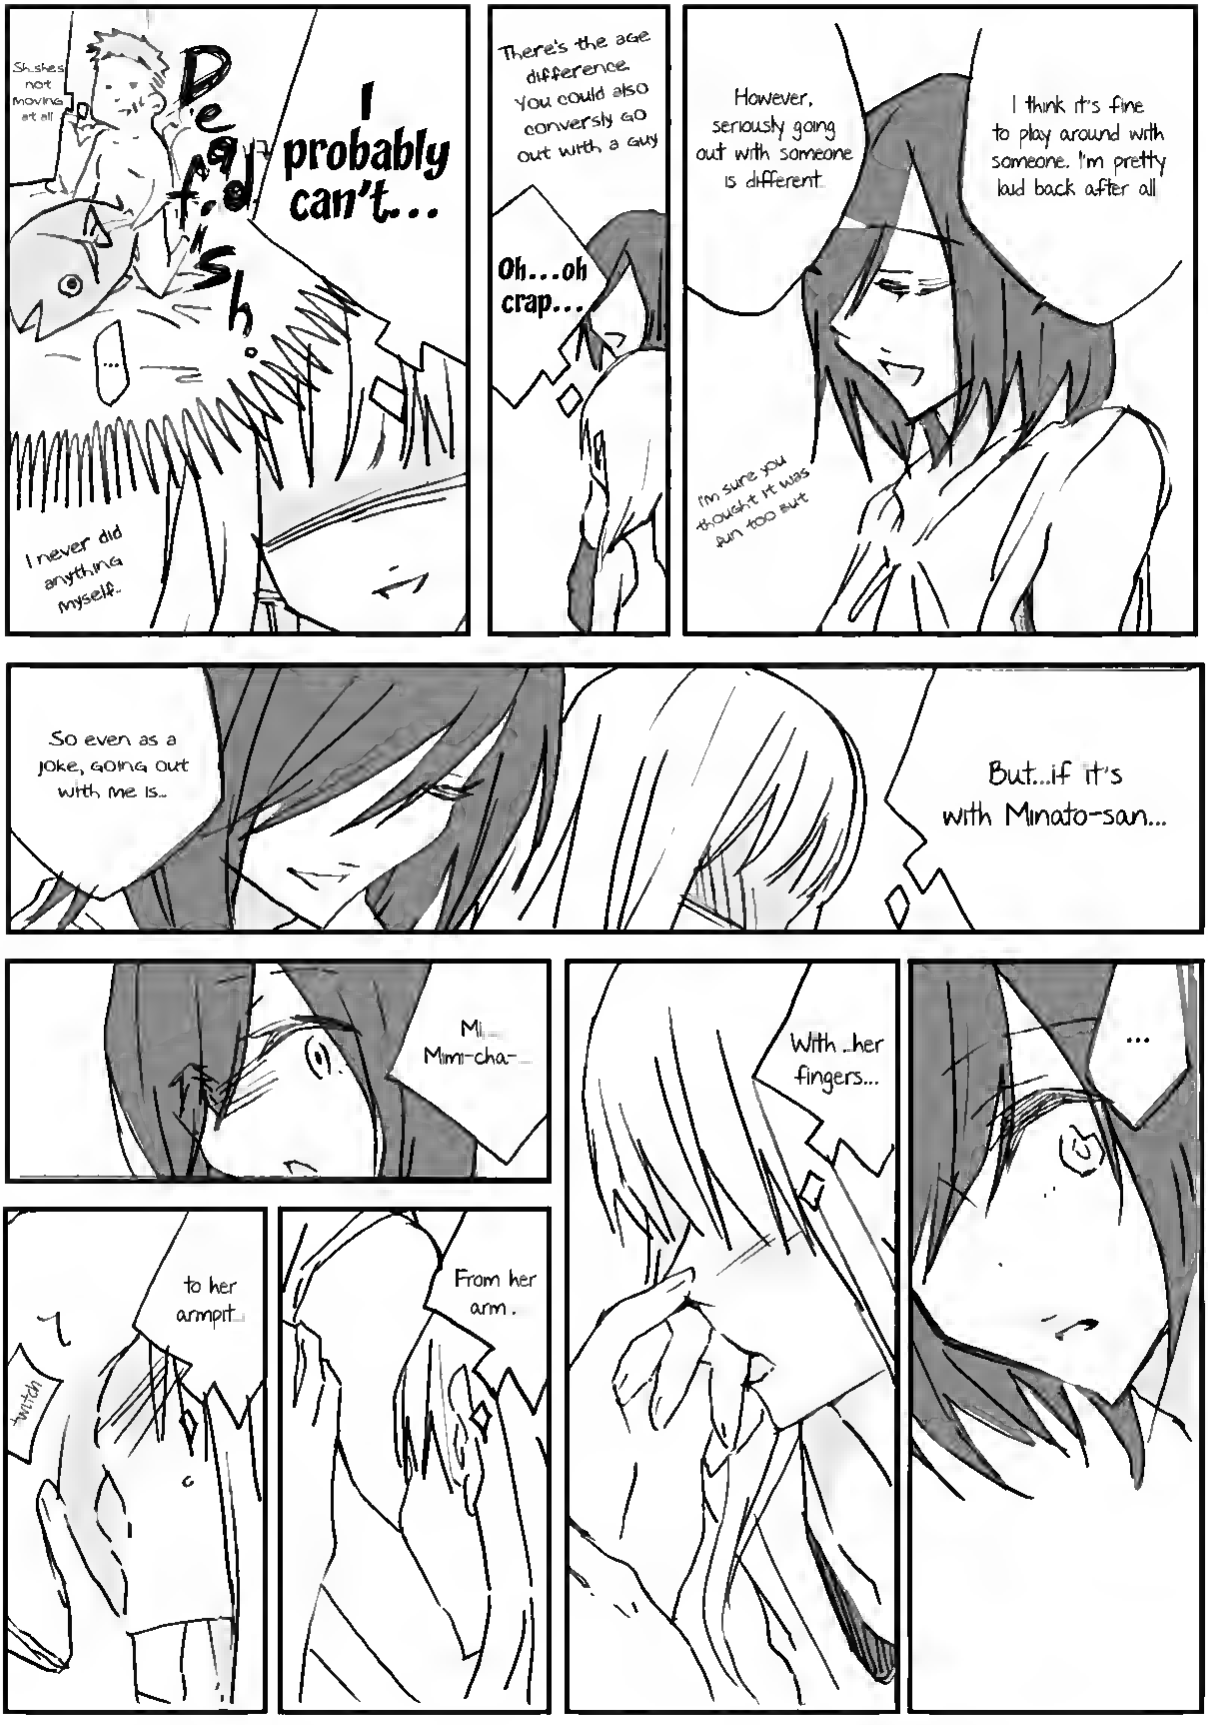
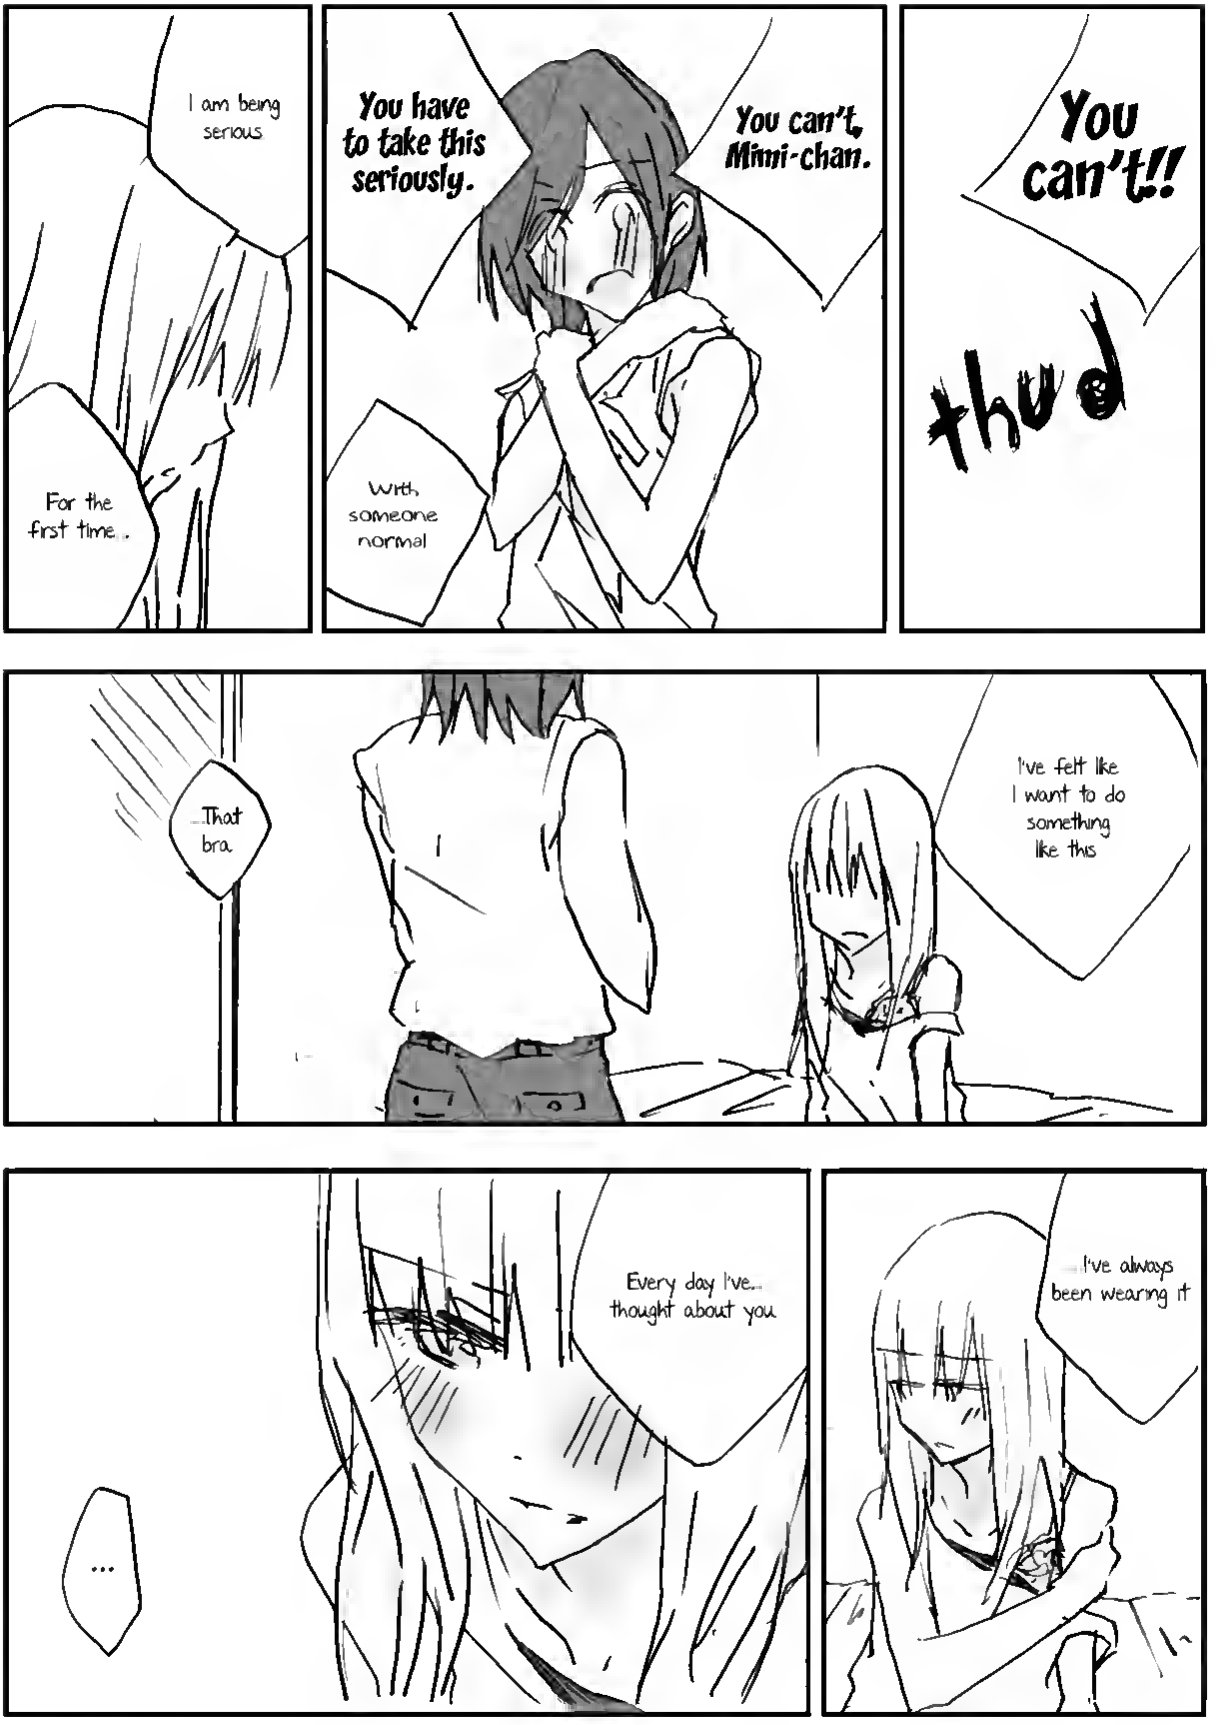
uwaaaah
Please take the PET bottles to the super market, it doesn't seem like they're collected here
From a smart phone search
piled up
In the veranda
GAS
Mi-Mimi-chan.
I'll come again.
I've slept with a lot of men for money though.
Resulting in stuff like cheating and affairs
Mimi-chan was definitely raised in a good household I think you'd make an excellent wife.
...
Aah, like I thought
Hey
Could you have sex with me?
Eh?
...
I'll keep on coming here.
to clean



Shakes not moving at all
I never did anything myself..
I probably can't...
Defeatist
There's the age difference. You could also conversly go out with a guy
Oh...oh crap...
I think it's fine to play around with someone. I'm pretty laid back after all
However, seriously going out with someone is different
I'm sure you thought it was fun too #wt
So even as a joke, going out with me is..
But...if it's with Minato-san...
Mi... Mimi-cha-...
With..her fingers...
...
to her armpit...
twitch
From her arm.



I am being serious
For the first time..
You have to take this seriously.
You can't, Mimi-chan.
With, someone normal
You can't!!
thud
...That bra
I've felt like I want to do something like this
...
Every day I've... thought about you
...I've always been wearing it

Business!? The Miu who didn't want a job and became a prostitute is going to work!
I don't want to work for people, so I thought managing might be nice.
Open a shop or something
I'll definitely be able to get a guy to support me
By the way I found out just now through their app
I got accepted into Hitotsubashi's business division
It's rather dull
Mi...Miu, don't tell me you...
Sorry, I'm also already planning to go to the school my parents went to
Good By the way, I already got a recommendation
Heyheyhey
Am I the only one who didn't think about anything and played around?
